****FOR IMMEDIATE RELEASE****
Barbarann Keffer Endorsed by Planned Parenthood PA

Drexel Hill, Tuesday, August 16th, 2016 — Upper Darby Councilwoman at-large and Democratic candidate for the Pennsylvania House in the 163rd District Barbarann Keffer on Tuesday announced her endorsement by Planned Parenthood PA:

"I am honored to have Planned Parenthood PA PAC behind my campaign for state Representative," said Keffer, 51 of Drexel Hill. "Planned Parenthood is well-known for providing access to reproductive healthcare, but they do so much more. Planned Parenthood's provision of preventive services, including contraception and cancer screening, is invaluable to the millions of women who depend on them."

Sari Stevens, Executive Director of Planned Parenthood Pennsylvania Advocates and PAC, added: "Planned Parenthood Pennsylvania PAC is proud to endorse Barbarann Keffer for state Representative in the 163rd District. We know that the women of Pennsylvania can trust Barbarann with protecting their right to choose and to affordable women's health care. Unfortunately, her opponent Rep. Santora voted in favor of HB1948, the most restrictive bill in the nation, which would have banned all abortions, even in cases of rape and incest, after 20 weeks. Santora showed that he is completely out of touch with the women and families of the 163rd District when he sponsored this extreme bill, even calling it 'common sense legislation.' We need more people like Barbarann in Harrisburg, who

understand the value of Planned Parenthood's preventative care services and who will fight to defend a woman's right to make her own health choices."

Keffer added, "Like many women, there was a time in my life when I did not have health insurance and Planned Parenthood was my primary healthcare provider. And when we first moved back to Delaware County, I received prenatal care at the West Chester Planned Parenthood office. That is the Planned Parenthood that I know, and that is why I am proud to accept their endorsement for my campaign to represent the people of the 163rd District in Harrisburg."

The election for state Representative in the 163rd District is November 8th.
